

Stuart's Contracting is looking to hire a full time laborer and painter to start May 4th 2025.

Painter: 3 years experiences. A skilled professional who applies paint, stains, and coatings to various surfaces, such as walls, ceilings. This person will also need to know how to work with drywall repairs. They will need to skimming, preparing surfaces by cleaning, sanding, and priming to ensure a smooth finish. Painters are knowledgeable in using brushes, rollers, and sprayers, and following detailed technical specifications to achieve visually appealing and protective coatings. We are also looking for this person to help in other areas to get the job site ready.

Laborer: 2 years experiences. A versatile laborer involved in a range of tasks of setting up the job site, sealing off the area, cleaning after every day and carrying cabinets and appliances to different apartments. They assist skilled workers by transporting materials, cleaning work areas, and operating basic construction tools. Laborers are essential team members who adapt to various roles, ensuring that projects are completed efficiently and safely.
