Job opening for labor positions Marshall Courts Phase 7 Demolition Newport News, VA

We are pleased to announce openings for job positions for the above referenced project.

CM Munden Construction Services is a mid sized demolition company operating out of Virginia Beach with projects spanning the Hampton Roads area. We are currently looking to build our team with new talent and would love for you to apply. Positions available are general laborer with the chance for upward mobility within the company. General laborers responsibilities will include but not limited to:

- Picking up small trash and practicing good jobsite housekeeping.
- Spotting and directing dump trucks/trailers into and out of the site.
- Operating fire hose or other forms of dust suppression on site.
- Assisting jobsite operators as a second set of eyes during demolition operations. (i.e. keeping public out of jobsite, watch for safety issues etc.)

We offer paid time off, 6 federal holidays and retirement in the form of simple IRA with employer match (we match up to 3% annual salary).

Candidate must be able to get to work on their own on time.

Be able to lift 50 pounds as required.

Be able to pass a preemployment drug screen.

High School or GED preferred but not a prerequisite.

Have a good attitude with the desire to advance their position.

If you have interest in joining our team, please send a resumé to info@cmmunden.com and we will take a look.
