Get Your Child Tax Credit & Earned Income Tax Credit

File Your Taxes

Thanks to President Biden's American Rescue Plan, there is **more money available** to families and/or people with low to moderate incomes. Filing your taxes is how you can claim benefits like the Child Tax Credit and the Earned Income Tax Credit.

Whether or not you received stimulus checks or monthly payments in 2021, additional money may be available to you. While individuals who won't owe taxes have longer to file, filing by **April 18, 2022** is how you may get your full benefits the soonest.

A Historic Increase

Families can enjoy an increased Child Tax Credit (\$3,000 or \$3,600, depending on a child/dependent's age), and more people with low incomes can receive a larger Earned Income Tax Credit.

These Tax Credits Are Not Income

Receiving these benefits will not impact eligibility for other federal benefits such as UI, Medicaid, SNAP, SSI, SDI, TANF, WIC, Section 8 or Public Housing.

Not a Frequent Tax Filer?

Even if you didn't earn enough to be required to file taxes, you are eligible for the Child Tax Credit and potentially thousands of additional dollars in benefits. See what you can receive by filing a 2021 tax return!

Information for Tenants

The U.S. Department of Treasury's ("Treasury") Emergency Rental Assistance (ERA) program makes funding available to assist households that are unable to pay rent or utilities. The funds were provided directly to states, U.S. territories, local governments, and (in case of the first program, ERA1) to Indian tribes or Tribally Designated Housing Entities, as applicable, and the Department of Hawaiian Home Lands. Grantees use the funds to assist eligible households through existing or newly created rental assistance programs.

In guidance and FAQs, Treasury advised that participants in HUD-assisted rental programs (including the Housing Choice Voucher (HCV), Public Housing, or Project-Based Rental Assistance programs) are eligible for the ERA program and may receive assistance for the tenant-owed portion of rent or utilities that is not subsidized. In FAQs for PHAs and HCV landlords, PIH clarified that this assistance can include rent arrearages and utilities owed over the utility allowance. The FAQs include additional guidance on interim reexaminations, income calculations, and additional considerations for private landlords participating in the HCV program.

To learn more about how to apply for ERA go to: **Virginia Rent Relief Program by visiting:**
<https://www.dhcd.virginia.gov/rmrp> or calling 703-962-1884

You may contact 2-1-1 Virginia to determine the availability of any additional rent relief programs by visiting: <https://211virginia.org> or calling 211.

You may wish to contact your local legal aid program for free legal assistance to low-income people by visiting: <https://www.valegalaid.org/find-legal-help> or calling 1-866-LEGALAID (1-866-534-5243).

Because of the COVID-19 pandemic, you may be eligible for temporary protection from eviction under the laws of your State, territory, locality, or tribal area, or under Federal law.
Visit <http://www.cfpb.gov/eviction> or call a housing counselor at 800-569-4287 to learn more.

State and local ERA grantees can also be accessed from Treasury's website using the link "Find rental assistance in your area."

Leases may not be terminated due to nonpayment of rent until at least 30 days have passed after a tenant receives this notice.

**Gov2Go:
Virginia Rent Relief Program's New
Landlord and Tenant Portal**

Dear RRP Stakeholders:

As noted in previous communications, the Virginia Rent Relief Program (RRP) will be transitioning to a combined landlord and tenant portal for rent relief applications on December 1, 2021. The new portal, Gov2Go, will offer an updated, secure and user-friendly portal that will allow you to access RRP on virtually any web-enabled device. Landlords and tenants now have the ability to apply for rent relief – and confirm their eligibility – quickly and easily. The new platform will improve communications for both landlords and tenants on applications initiated by each party, as well as streamline and expedite the processing of rent relief applications.

Please note in order to protect your privacy, all landlords will need to securely upload their W-9 and banking information into the new application platform, Gov2Go. If you have any issues uploading your W-9, please contact the RRP Support Center at 1-833-RENT-RELIEF or 1-833-736-8735(433).

New phone rules start in April

Hampton Roads residents are reminded that the Virginia State Corporation Commission has approved a new 948 area code for the Hampton Roads region. Beginning May 6, 2022, new telephone lines or services may be assigned numbers using the new 948 area code. The new code, or overlay does not require customers to change their existing area code or telephone number, but it will require using a new dialing procedure to complete calls.

Area residents are encouraged to practice dialing phone numbers using all 10 digits (area code and phone number), and to reprogram telephone contact lists, life safety systems, medical monitoring systems, and other devices so they include both the phone number and the area code. You will still be able to dial just three digits to reach 911 and similar numbers.

Beginning April 9, all local calls made in the 757 area code will not be connected if only seven digits are dialed.

Virginia Natural Gas

Natural gas safety and you

Every day, underground pipelines safely transport natural gas—one of the most efficient, reliable and environmentally friendly fuels—to homes and businesses throughout the country. Natural gas is colorless and odorless, so we add an odorant called mercaptan with a distinctive, “rotten egg” type odor for easy detection. However, incomplete combustion of any fuel—charcoal, gasoline, wood or even natural gas—produces carbon monoxide.

Smell gas?

Look for blowing dirt, discolored vegetation or continued bubbling in standing water.

Listen for a hissing or roaring noise of natural gas escaping near an appliance or line.

Smell for the distinctive, rotten-egg odor associated with natural gas. Natural gas is colorless and odorless, so we add a chemical odorant. This odorant has a distinctive “rotten-egg” type odor. You should act any time you detect even a small amount of this odor in the air.

Act fast!

Do not try to identify the source or stop the leak yourself.

Leave the area immediately and move a safe distance away from the potential leak, while avoiding any action that may cause sparks.

Avoid using any sources of ignition, such as cell phones, cigarettes, matches, flashlights, electronic devices, motorized vehicles, light switches, or landlines, as natural gas can ignite from a spark or open flame, possibly causing a fire or explosion. Natural gas is non-toxic, lighter than air and displaces oxygen. In severe cases, if not used properly, natural gas can also lead to asphyxiation.

CALL Virginia Natural Gas at 1.877.575.3342 or 911 once you are out of the area of the suspected leak and in a safe place. Stay away from the area until **Virginia Natural Gas** or emergency personnel indicate it is safe to return.

Information about transmission pipelines operating in your community is available through the National Pipeline Mapping System (NPMS) and online at <https://www.npms.phmsa.dot.gov/>.

Pipeline integrity management is a process for assessing mitigating pipeline risks to reduce both the likelihood and consequences of incidents. We have a comprehensive plan that fully addresses these processes, especially for locations especially for locations deemed high consequence areas. Coronavirus Update from the Virginia Peninsula Foodbank

During times of crisis, the Foodbank plays an important role in meeting community needs. In response to the coronavirus, the Virginia Peninsula Foodbank has been working to provide food to people who might otherwise go hungry.

The Foodbank's Mobile Food Pantry Program is distributing food in high-traffic spots across the peninsula and they are working with partner agencies to ensure people receive the food they desperately need. The team from the Foodbank's Culinary Training Program is preparing breakfast and lunch grab-and-go bags for children throughout our local area. The Foodbank has also hosted several large-scale public food distribution events to help individuals and families struggling to locate healthy meals. During a distribution event in Newport News last week, they provided food to support 500 households.

If you are struggling to get the food you and your family need, please visit the Get Help page on the Foodbank's website to locate a mobile food pantry or partner agency that can help. Please call prior to visiting to confirm hours of operation, as distribution plans change quickly and without much notice.

Due to the increased demand for food in grocery stores, the Foodbank has seen a significant decrease in food pick-ups and store donations, which means personal donations are even more important. You can still drop food donations off at their Hampton headquarters at 2401 Aluminum Avenue. All donations are quarantined for 72 hours before they are available to be distributed. You can make a monetary donation to help purchase truckloads of supplies, donate through YouGiveGoods or purchase through online retailers to ship items directly to the Foodbank's doors. For additional information on any of these options, you can contact Tracy Hansbrough at thansbrough@hrfoodbank.org.

CHILD ABUSE AND NEGLECT— SYMPTOMS

Symptoms can be physical, psychological, or both. Keep in mind that older children may not talk about the problem, because they fear or want to protect the offender. Or they don't believe they will be taken seriously.

General symptoms

Certain general symptoms may suggest that a child is experiencing some type of abuse or neglect include:

- ♦ Slower-than-normal development. The child does not show the abilities and skills normally found in other children the same age, such as starting to talk or socialize with others. Some children regress, which means they slip backward, losing skills they had before.
- ♦ Failure to thrive. This is a term that means the child isn't gaining weight or height the way he or she should. Although this can be caused by a medical problem, it can also be a sign that the child is not being well cared for.
- ♦ Unusual interaction with a parent. The parent may not be interested in the child. Or the child may be constantly trying not to upset the parent. The child may actually be afraid of the parent.
- ♦ Mental health problems, such as having low self-esteem, anxiety, depression, or thoughts of suicide.
- ♦ Suddenly getting lower grades in school.
- ♦ Behaving in a way that isn't appropriate or that causes problems. In a young child, this could mean being unusually fussy, being afraid, or not being interested in activities. Children often act out what they have seen or experienced, such as violence or sexual activity. Older children may act out in unusual ways, such as having sex, fighting, using drugs, or running away.

Should you have any questions or concerns, contact Safety & Security at 928-2660.

MISSION STATEMENT

The mission of the Newport News Redevelopment and Housing Authority (NNRHA) is to create affordable housing, viable neighborhoods, and opportunities for self-sufficiency that enhance the quality of life for all citizens of Newport News.
